The Society is delighted to announce the programme for the Conveyancing Conference 2019 which is indicated to the right.

In keeping with the success of previous years the Society has secured a number of key note speakers who will present on current conveyancing issues relevant to the profession as well as the important area of the growing threat of cybercrime which is targeting solicitors and their clients.

This year's conference will include a practical demonstration from the PSNI of a cyber-attack on a solicitor firm as well as advice and guidance from our conference sponsors Willis Towers Watson.

The Society is also pleased to welcome The Honourable Madam Justice McBride to speak to delegates.

Attendance at this conference will fully cover the 2019 Compulsory Conveyancing CPD requirement. Any additional hours gained can be carried over into the General Group Study section.
