# What you need to know

Our experts seek to demystify this difficult area of law for employers throughout the UK by providing exclusive practical checklists of value to those who may seek to put services out to tender or who may be interested in providing services caught by TUPE laws.

## Learning outcomes:

- You will receive practical advice and from recognised experts in this field.
- You will receive a series of our exclusive practical checklists for clients, transferors and transferees that will help you shape the transfer to meet your needs and will reduce the scope for hidden liabilities and future litigation
- You will understand the main elements and how to avoid the traps involved in transfers.
- You will have an opportunity to quiz the experts during the seminar and networking breaks
