

# ATTENTION ALL PROSPECTIVE MASTERS

Are you interested in taking on an apprentice for the two year term commencing September 2019?

If you are in private practice and have

1. practised as a solicitor for at least seven years, and
2. been a principal for at least three years

Or

If you are in the public sector and have been in practice for at least 10 years

and, in either case, if you can provide training for students, you may wish to consider becoming a Master.

The Education Committee will also consider applications from prospective Masters who have less than the requisite number of years in practice.

The Society each year draws up a list of members who are qualified and willing to act as Masters. This list will be provided on request to students who are seeking apprenticeships. Details will also be included in the "Masters' List" in the "Becoming a Solicitor" section on the Society website.

The relevant criteria are set out in the Solicitors' Admission and Training (Qualification of Masters) Regulations 1988 as amended by the Solicitors' Admission and Training (Qualification of Masters) (Amendment) Regulations 1992.
