

Following on from last year the Society is working to develop and extend closer relationships with solicitors right across the jurisdiction. The Society recognises the need for debate with members and acknowledges the ever changing context of legal practice.

This year the Society will host a “Law Society of Northern Ireland Question Time” in four key locations and it is hoped that as many of our members as possible will be in attendance at what we hope will be an interactive event.

The remaining **Question Time** event will take place in **Derry/Londonderry** and will take the format of a question and answer session in an informal round table discussion with the President, **Suzanne Rice** and the new Chief Executive, **David Lavery CB**.

**** NEW DATE FOR DERRY/LONDONDERRY EVENT ****

Date	Location	Venue	Time
Tuesday 23rd July 2019	Derry/Londonderry	City Hotel, Derry/Londonderry	9:00am – 10:00am (Registration & Breakfast 8:30am)
Tuesday 10th September 2019	Derry/Londonderry	City Hotel, Derry/Londonderry	9:00am – 10:00am (Registration & Breakfast 8:30am)

Question Time will present solicitors with an opportunity to raise any queries/issues members may have. Where possible we would be grateful if solicitors could register their interest to attend in advance of the event they propose to attend, so appropriate catering provisions can be made with the various venues.

Please email Jennifer.ferguson@lawsoc-ni.org to register your place, also detailing any agenda items you might have.

Or alternatively via telephone on **028 9023 1614**.
