GDPR's 9-month Gestation

What does GDPR mean 9 months on?

What impact has GDPR had?

What effect Brexit will have on GDPR?

Key principles of EU data protection reform.

Lawfulness of processing, further processing and legitimate interests.

Data protection and the principle of client confidentiality and GDPR and Brexit.

All GDPR'd on the outside

What about the inside? Looking at your employment policies and those of your clients.

Questions clients might ask

Is my CCTV caught by GDPR?

I keep getting other people's post – am I a processor?

Are political parties and campaign groups allowed to target me using Data Analytics?

GDPR and Managing Legal Risk

How can practices best protect themselves?

Book your place(s) now at:
