Time: 2.00pm - 5.00pm

The Society's Annual Conveyancing Conference is being staged this year as a virtual Conference which will allow colleagues to attend in greater numbers and in the safety of their home or office.

The theme of the 2020 Conference is to launch the updated Home Charter Scheme. A huge amount of work has been carried out by the Society and its Committee members in reviewing every aspect of the Home Charter Scheme over the past 3 years and that work is now complete.

The Conference is the opportunity for all conveyancers to receive all the details of the updated Scheme including all the new precedent documents in advance of the commencement of the updated Scheme on 1st January 2021.

The Conference is also an opportunity to reflect on the impact of the coronavirus pandemic on conveyancing in Northern Ireland and the response of the profession in keeping the market moving.

Those attending the virtual Conference will have the chance to submit questions in real time to the key note speakers.
